ESTATEMENTS AUTHORIZATION FORM

Tri-Town Teachers FCU encourages all our members to sign up and authorize our credit union to stop sending out statements. All statements are listed on our web site in the secure section of our online account access area for members. When you provide this authorization, we will cease sending out credit card or monthly statements in the mail, saving your credit union processing and mailing expenses. Credit Card holders will have their annual fee waived when we have this authorization on file.

We will notify you via email when your statement is available and all you need to do is go to our web site and review you statements online.

Please indicate your acceptance of estatements by filling in the information in the box below; signing and faxing in this form to us.

As primary account holder I accept Tri-Town Teachers FCU eStatements. It is not necessary to send me statements in the mail for any of my accounts as I will view them via the internet. I have checked my computer and it is possible to view/download adobe acrobat .pdf files.
